

## Client

St. Peter's Hospital Foundation.  
Hamilton, Ontario.

## Materials

The "Butterfly" is oxidized stainless steel, 6.5m high x 2m. The "Mural" is oak, oxidized stainless steel, brushed stainless steel, sandblasted and etched, 1m high x 2.5m long.

## "FLIGHT OF FAITH"

A donor recognition program. The kinetic butterfly in the courtyard dances in the breeze and is visible to many permanent residents.

The donor mural is in the lobby of the hospital.
